Election of courses:

The university of Coimbra offers a Master of Geoscience with several specializations such as Geological Recourses and Petroleum Geology, for more information see link: <https://apps.uc.pt/courses/en/course/338>

A master program in Mining and Geological Engineering is also offered: see link <https://apps.uc.pt/courses/en/course/341>

We recommend that students elect more courses than needed as collision in the timetable can occur. It is also recommended that you make sure that the subjects you have chosen will be thought in English, unless you speak Portuguese.
